Re: CC Docket 92-24
Ex Parte Statement

Dear Ms. Searcy:

After discussions with the Commission's staff regarding the costs and rate levels for LIDB query service, the Ameritech Operating Companies are proposing to reduce the LIDB query charge from \$.02988 to .02788 per query. This change would reduce the ratio of price to direct cost from 2.556 to 2.385. All other rate elements for this service would remain at their current levels.

Sincerely,

Anthony M. Alessi
